Your breakdown policy

Churchill is the insurer and administrator of your breakdown policy. Green Flag Motoring Assistance will provide the breakdown service to you on behalf of Churchill.

Your breakdown policy is made up of:

- this policy booklet; and
- your Breakdown cover Schedule (showing the breakdown service you have chosen).

Any leaflets or similar literature you receive about breakdown do not form part of your policy.

Your policy is proof of the contract between you and us. It is based on the information given by you or for you when you applied for this insurance. This information is shown on the Breakdown cover Schedule. You promise that the information you have given to us is true as far as you know.

If you pay and we accept your premium, the services will be provided under the terms of this policy during the period of cover. We will share any information that you supply with their agents so they can check your cover and provide service.

You and we can choose the law which applies to this contract. Unless you and we agree otherwise, English law will apply.

This booklet gives you details of the conditions of the breakdown policy cover you have chosen.

Please read your breakdown policy carefully and keep it in a safe place.

Definitions

Wherever the following words and phrases appear in the rest of this policy booklet they will have the meaning given here unless we say different.

Home – the last address you told us about as your home or, if different, the place where you normally keep the vehicle.

Incident – when the vehicle cannot be driven as a result of breakdown, accident (but not a road traffic accident), theft or attempted theft, malicious damage, fire or attempted fire, flat tyre, lack of fuel, flat battery, or lost or broken car keys.

Insured person or people – you and any other person or people who, at the time of the incident, are driving or riding as a passenger or passengers in the vehicle with your permission.

Partner – someone you live with as if you are married.

Period of cover – the period from the date your cover starts to the end date shown on your breakdown cover schedule. If you took out cover at the same time as a Churchill motor insurance policy, cover will start at the same time that the motor insurance policy starts. In all other cases, cover will start 24 hours after we accept your application for cover, or the start date shown on your Breakdown cover schedule, whichever is later.

Personal belongings – each of your suitcases or items of luggage, their contents and items designed for you to wear or carry. This includes your valuables but does not include items of furniture, camping equipment or winter sports equipment.

Premium – the amount of money you must pay for your cover.

Strike – any form of industrial action taken by workers, carried out to prevent, restrict or otherwise interfere with producing goods or providing services.

Underwriter – the company that has provided (underwritten) the insurance cover under this policy.

United Kingdom (UK) – England, Scotland, Wales, Northern Ireland, the Isle of Man and the Channel Islands.

Vehicle – any vehicle we have agreed to cover as long as it is either; a privately registered motor car, motorcycle, light van, three wheeler or car-based van weighing up to 3,500 kilograms when loaded. None of these must be more than 7 metres long, 2.25 metres wide and 3 metres high. Except for personal cover, all vehicles must be kept at (and registered to) the policyholder's address. Your caravan or trailer will have the same cover as your vehicle when you are towing it using your vehicle as long as the caravan or trailer:

- falls within the size and weight restrictions above;
- meets the standards of the Road Vehicles (Construction and Use) Regulations 1986, as amended or replaced;
- fits a standard 50 millimetre tow ball;
- does not weigh more than the kerb weight of your vehicle when loaded; and
- is made by a company specialising in making caravans or trailers.

We, us, our or Churchill – Churchill Insurance Company Limited or its agents (or both).

You or your – the person named as the policyholder in your Breakdown cover Schedule.

- a single destination you choose within 10 miles of the incident; or

We will provide these services, free of charge, including callout and up to 60 minutes' labour for this roadside assistance.

If, following an incident, you need help to return home or complete a journey within the United Kingdom, we will arrange for the following, if available.

- For you and any insured people to continue your journey.

National recovery

If it is clear that repairs cannot be carried out by our service provider or the nearest suitable repairer by the end of the normal working day when the incident takes place, we will arrange and pay to transport the vehicle and insured people to:

- your home;
- the original intended destination; or
- a repairer within 10 miles of the incident, your home or your original intended destination;

CHRS includes all the benefits of Sections A, B and C, plus the following.

- If your vehicle has been in an incident in the UK, which happens at least one quarter mile from your home, we will arrange the following.

Finishing your journey

If it is clear that repairs cannot be carried out by our service provider or the nearest suitable repairer by the end of the normal working day when the incident takes place, we will arrange and pay for one of the following four options. You can decide which option you would like – if it is available.

- We will transport the vehicle and any insured people to:
 - your home;
 - the original intended destination; or
 - a repairer within 10 miles of the incident, your home or your original intended destination;whichever you prefer. This must be within the United Kingdom.
- We will pay for you to hire a self-drive rental vehicle of an equivalent level to your vehicle up to 1600cc, for a 24 hour period while your car is waiting for repairs.

- We will pay for overnight bed-and-breakfast accommodation, but not alcoholic drinks, for one night in a local hotel while you are waiting for repairs to be completed. We will pay up to £40 for each insured person but not more than £240 for the incident.

If necessary, we will also pay for one single standard-class rail ticket in the United Kingdom for you or any authorised driver to collect the vehicle after it is repaired, up to a limit of £150.

Providing a chauffeur

If your only driver cannot drive because of an illness or injury, we will arrange a chauffeur to take the insured people, and the vehicle and your luggage, to your destination in the United Kingdom.

Section E Churchill Advanced Rescue Service (CARS)

CARS includes all the benefits of Sections A, B, C and D, plus the following.

European

European cover only applies to vehicles which are 10 years old or less.

Wherever the following words and phrases appear in this European section, they will always have the following meaning.

Geographical limits – Andorra, Austria, Balearics, Belgium, Bulgaria, Canary Isles, Corsica, Czech Republic, Denmark, Finland, France, Germany, Gibraltar, Greece, Hungary, Italy, Liechtenstein, Luxembourg, Malta, Monaco, the Netherlands, Norway, Poland, Portugal, the Republic of Ireland, Romania, San Marino, Sardinia, Sicily, Slovak Republic, Slovenia, Spain, Sweden, Switzerland, Turkey in Europe plus Üsküdar.

Trip – A pre-booked journey abroad within the geographical limits during the period of cover which begins and ends in the United Kingdom.

- **Roadside assistance and towing** – We will arrange and pay for:
 - labour and callout charges involved in providing help at the roadside after an incident within the geographical limits, if there is a reasonable chance that the roadside assistance will make your vehicle fit to drive; or
 - your vehicle to be taken to the nearest local repairer or safe storage place after an incident.

- **Loss of use of vehicle** – If, at any time during your trip, you cannot use your vehicle because:
 - of an incident within the geographical limits and we reasonably believe that the vehicle will be out of use for more than eight hours; or
 - your vehicle has been stolen within the geographical limits and not recovered within eight hours;

we will organise and pay for the reasonable costs of one of the following. (This will depend on whether the options are available.)

- Taking the insured people and their personal belongings to your original intended destination, within the geographical limits, and then returning you to the vehicle after it has been repaired or recovered.
- Accommodation, including one meal a day (but not alcoholic drinks), for the insured people while the vehicle is being repaired up to £45 a day for each person for up to five days.
- Up to £750 towards the cost of hiring another vehicle while your vehicle cannot be used.
- **Returning your vehicle to the United Kingdom** – If your vehicle is repaired before you are due to return to the United Kingdom, you will be responsible for returning your vehicle to the United Kingdom at your own cost and for all other costs involved.

Section E Churchill Advanced Rescue Service (CARS) continued

If your vehicle cannot be repaired before you are due to return to the United Kingdom, or the vehicle is stolen outside the United Kingdom and not recovered until after you have returned to the United Kingdom, we will choose and pay for one or both of the following.

- The reasonable cost of taking the insured people and their personal belongings to your home in the United Kingdom by a route and method we choose. We will also pay for the vehicle to be taken to your home or to an appropriate repairer you choose in the United Kingdom.
- If you have to leave the vehicle abroad, we will pay the cost of one standard-class single ticket by rail or sea (or by air if the train or boat journey would be longer than 12 hours) for you or a driver you choose to collect the vehicle. We will decide which form of transport you will use. We will also pay any necessary and reasonable expenses on the outward journey for one person collecting the vehicle, including accommodation and Green Card charges.

We will pay any necessary charges, up to £100, for storing the vehicle abroad before it is repaired, sent home or legally abandoned.

The most we will pay to get your vehicle home will be its current market value in the United Kingdom.

You must use any travel tickets you have not used to get your vehicle back home before we will provide any alternatives under this section.

- **Providing a chauffeur to return you home** – If there is an accidental injury, sudden illness or death which means that there is no insured person with the vehicle at the time who can drive, we will pay for a qualified person to drive the vehicle and insured people back to your home in the United Kingdom. We will need to see all medical and other evidence. We will not pay the cost of any fuel used or road tolls.
- **Delivering spare parts** – If we cannot get hold of the spare parts locally to repair the vehicle following an incident, we will arrange to have them delivered to you as quickly as possible.

We will not be responsible for providing the spare parts if the spare parts:

- are no longer made;
- cannot be bought from a wholesaler or agent; or
- cannot be exported to the country where your vehicle is.

We will only pay the cost of transporting spare parts. You must pay the actual cost of the spare parts and any customs duty. If we have paid these costs on your behalf, you will need to refund us within one month. You must also pay for the labour involved in repairing your vehicle.

- **Legal defence expenses** – As long as you let us know within 28 days of receiving a summons we will pay up to £10,000 of the legal costs you have to pay to defend yourself in a court inside the geographical limits against an alleged motoring offence involving your vehicle during a trip.

We will not cover:

- alleged speeding offences, when no other offence is involved;
 - defending an alleged offence where there is no reasonable chance of affecting the outcome of the prosecution;
 - costs or expenses you agree to without getting our authorisation;
 - your travelling and living expenses; or
 - fines awarded against you.
- **Bail** – We can provide up to £4,000 as bail or security to release an insured person from custody. You must pay this back to us within three months.

How to claim

If you want to make a claim under the European Section, you will need a claim form. Please write to:

European Claims Department
Green Flag Motoring Assistance
Leeds LS28 5GF

Or, phone 0113 236 3236 and ask for the European Claims Department.

Once you have filled in the form, you should return it to the address above.

Personal cover

Personal cover applies if it is shown on your Breakdown cover Schedule.

As well as the cover we have already described for your vehicle, you (and your husband or wife, or partner) will be entitled to the same level of cover when you are travelling in the UK in any other vehicle which is less than 16 years old. (The vehicle must not fall within one of the exclusions of this policy and must keep to the policy conditions.)

If your breakdown policy covers more than one vehicle, the highest level of cover you have paid for will apply for the purpose of personal cover.

No call-out discount

If you do not call out Green Flag during the period of cover, we will reduce your renewal premium according to the scale that applies at the time. Each time you call out Green Flag, your no call-out discount will be reduced by one year.

If you reach the maximum level of discount, you can make one call-out in a three-year period without your no call-out discount being reduced. For each extra callout you make, your discount will reduce by one year.

General exclusions applying to this policy

We will not provide any cover for the following.

- 1** Vehicles used for hire or reward, including taxis, or for carrying goods for reward.
- 2** Vehicles which are temporarily stuck due to floods or snow-affected roads or as a result of being totally or partly stuck in water, snow, sand or mud.
- 3** Vehicles parked off the public road which cannot be driven because of the nature of the surface on which they stand, for example, sand, mud, gravel, turf or grass.
- 4** Vehicles used for, or involved in, motor racing, off-road use (away from public roads and over rough terrain), rallies, speed or duration tests, or practising for these events.
- 5** The cost of any parts, lubricants, fluids or fuel.
- 6** Consequential or indirect loss of any kind arising from providing, or a delay in providing, the services which this policy cover relates to.
- 7** Any incident while your vehicle is towing or carrying more weight or people than it is designed for – as shown in the manufacturer's details.

- 8** Any expenses which you would have had normally in the course of your journey.
- 9** Any incident which is:
- the result of an inadequate repair or attempted repair carried out during the course of the same journey, unless the repair has our approval beforehand;
 - the result of you failing to correct a mechanical or electrical fault that we or our agent told you about when we responded to a claim under the cover; or
 - the third claim you make against the service during any three-month period which arises from a common identified fault.
- 10** Any deliberate damage to your vehicle caused by an insured person.
- 11** Loss or damage directly or indirectly caused by strike, war, riot, terrorism, civil unrest or any other similar event (whether war is declared or not).
- 12** Loss, expense or legal liability caused by:
- ionising radiation or radioactive contamination from nuclear fuel or nuclear waste;
 - the radioactive, toxic, explosive or other dangerous properties of nuclear equipment; or

- 13** Vehicles that have broken down or which were not roadworthy when you took cover out.
- 14** Damage or costs as a result of breaking into your vehicle because your keys have been lost or stolen.
- 15** Any damage to, or theft of, objects or accessories left in or outside your vehicle after the incident.
- 16** Loss of or damage to your vehicle while it is being transported by sea or rail (unless the loss or damage is our fault).
- 17** If the law of any country means that we have to make a payment which we would not otherwise have paid, you must pay that amount back to us when we ask.
- 18** Any claim as a result of an agreement or contract unless we would have been responsible anyway if the agreement or contract did not exist.
- 19** The transportation of horses or livestock.

General conditions applying to this policy

- 1** If you need help, you must contact our National Control Centre. You must not contact any garage recovery operator direct.
- 2** If you give us incorrect information when you phone for help, you may have to pay all reasonable costs caused by the incorrect information.
- 3** You must tell us, as soon as possible, about any incident which could bring about a claim under your policy cover. You must give us all the information and help we need.
- 4** When you ask for help, we will give you an estimated time when our repair or recovery vehicle will arrive. You and your passengers must wait with your vehicle until the repair or recovery vehicle arrives, unless you have made other arrangements with our control centre.
- 5** You must have our permission for any expenses which you claim for. You must keep all receipts.
- 6** You must do all that you can and keep to all laws and codes so your vehicle is safe and fit to drive.
- 7** You cannot use your policy cover for routine servicing or putting right failed repairs, or as a way of avoiding repair costs.
- 8** If your vehicle needs to be moved or recovered after an incident, it must be in an easily accessible position for our recovery vehicle to load. If your vehicle is in a position we cannot get to, or the wheels have been removed and we need to use specialist equipment (which is not normally carried on a standard recovery vehicle) to recover your vehicle, you will have to pay the extra costs. This will include labour charges for the special equipment to be transported to, and used at, the site of the incident.
- 9** You are responsible for the security of the contents of your vehicle, caravan or trailer.
- 10** If you are covered by any other insurance for an incident, we will only pay our share of the claim. You may have to give us details of your insurance company for this purpose.
- 11** We can provide assistance after a road traffic accident but you will be responsible for any costs involved. You may be able to recover these costs from your motor insurer.

General conditions applying to this policy continued

- 12** You are responsible for collecting your vehicle from a repairer and any costs which result from the work that has been carried out.
- 13** If we provide a service that we find you were not entitled to, you may have to pay for that service. We may also charge an administration fee.
- 14** We are not responsible for the actions or costs of garages, recovery firms or emergency services acting on your instructions or the instructions of anyone acting for you. We will not be held liable for these actions or costs.
- 15** Following an incident that the police or other emergency service attended, we will only transport the vehicle when they have given us permission to remove it. We will not be responsible for any charges if the police or other emergency service involved insist on another breakdown provider recovering the vehicle. This does not apply to Section E.
- 16** We cannot guarantee that hire cars will always be available or that if available they will be fitted with a roof rack and towbar. The insured person must hold a valid driving licence to drive a hire car. You will be responsible for the fuel used in the hire car and any tolls and all other expenses that you have to pay in continuing your trip.

If we arrange a hire car, you must keep to the conditions of the hire company and pay any deposit the hire company asks you for. You are not covered for any lost deposit due to damage to the hire vehicle or failure to replace fuel.

- 17** Nothing in this policy will exclude or restrict our liability for a death or personal injury resulting from our negligence.
- 18** We are entitled to take over your rights to defend or settle a claim or to take proceedings in your name for our benefit against another person. We will be able to decide how we go about this. You must give us all the information and help we may need.
- 19** We may choose to repair the vehicle (at your cost) following a breakdown, rather than arranging for it to be recovered.
- 20** This contract is between you and us. No-one else has any rights under the Contract (Rights of Third Parties) Act 1999 to enforce any terms of this contract.
- 21** You or any insured person must not hide or give false information to get cover or make a claim under this policy. If you or the insured person do so, we will not pay the claim and we will cancel your policy.

22 We will refund the part of the premium you have not used, less a cancellation charge of 50 % of the yearly premium.

We will not refund any premium if you:

- cancel cover under Section E (Churchill Advanced Rescue Service); or
- have made a callout during the period of cover.

If the policy is cancelled, it will not affect your rights to any incident which happened while the policy cover was in force.

23 If you are paying by monthly instalments, the contract remains a yearly one. You must pay the full yearly premium if you cancel cover. If you are paying by monthly instalments and miss a payment, we will cancel your cover.

24 We may automatically renew your policy cover on the renewal date. If we are going to do this, we will tell you before the date your policy runs out and give you details of the renewal premium. If you do not want to renew your policy cover, you should tell us before the renewal date.

25 You may only reduce cover when you next renew your breakdown insurance.

26 If the recovery or repair vehicle does not arrive within 60 minutes of you contacting us, we will pay £10. To claim compensation you must either fill in a service questionnaire or write to us.

What to do if your vehicle breaks down

Green Flag will be there to help you 24 hours a day, 365 days a year. It just takes one call to their National Control Centre.

Green Flag are very confident of their fast and reliable service. If they do not arrive within one hour of your call, you can claim £10 from them.

If you have a breakdown or accident, follow these simple steps.

- Try to leave your vehicle in a safe place away from traffic.
- Switch off the engine and put out any cigarettes.
- Use your hazard lights. Display a red triangle if you have one.
- Wait away from your vehicle and keep clear of the carriageway or hard shoulder.
- Find the nearest phone.

If you've broken down in the UK, call Green Flag free on **0800 400 665**. (Minicom: **0800 800 610** for people with hearing difficulties.)

If you've broken down in Europe, call Green Flag's European Control Centre free on **00800 4000 6000**.

- A trained operator will record your name, Churchill policy number, where your vehicle is, what the problem is and a contact number if you have one.
- Green Flag will contact the nearest available recovery specialist to help you. The operator will then tell you who will be coming and when you can expect them to arrive.
- If you use an emergency roadside telephone in Europe, the police will usually answer your call. They will arrange for a local recovery specialist to help you. You may have to pay for this assistance on the spot. We will refund the full cost, including roadside labour and towing charges. You must keep your receipts and send them to us when you return to the UK.

Once you have been taken to a safe place, please call Green Flag if you need any advice or services such as a hire car.
