- If two or more claims are first believed to be separate **conditions** but are later recognised to be a **recurring condition, bilateral condition, lump** or related **condition, we**'ll add up the amounts **we**'ve paid for all these claims and not make any more payments during the life of **your pet** once **we**'ve paid up to the limits described.
- Ongoing **treatment** of a **condition** that first started under **your** chosen policy will only be covered under the terms and conditions of that policy if it remains in force.

- any medication that's due to be given to **your pet**:
  - i) after the 12 month time limit has ended even if the costs arise before the end of the 12 month time limit; or
